Workshop Guidelines

Come on time — Let's respect everyone's time.

Keep your video on at all times — Being visible helps us create a more present and connected learning space.

Be present and engaged — Avoid distractions and take part in the conversations.

Be curious — Ask questions, explore ideas, and remain open to new perspectives.

Be respectful — Listen generously and make room for different voices and experiences.

Show up — Attendance at every session matters; each conversation builds on the last.

Participate — Bring your thoughts, questions, and experiences. This is a shared learning space.

Keep an open mind
